Minimum amount due

Important Reminder: Paying less than the total amount due will increase the amount of interest and other charges you pay and the time it takes to repay your balance.

The computation for the Minimum Amount Due shall be as follows:

If your Total Outstanding Balance (TOB) is:

Less than or equal to Php 850	Minimum Amount Due shall be equal to the TOB
More than Php 850	Compute 3.57% of the difference of the TOB and the sum of new retail purchase, new cash advance transactions, and adjustments posted during the statement month. If the computed amount is: • Less than or equal to Php 850, then the Minimum Amount Due is Php 850 plus 100% of past due amounts, if any. • More than Php 850, then the Minimum Amount Due is equal to the computed amount plus 100% of past due amounts, if any.

Any amount past due forms part of the Minimum Amount Due and should be paid in full for each card type.

Types of Fees & Charges	Description	Fee
Late Payment Fee	Incurred if no payment is applied or payment applied to the BPI Credit Card is less than the Minimum Amount Due by the Payment Due Date	Php 850 or equivalent to the value of the unpaid minimum amount due, whichever is lower, will be charged per occurrence per card.
Returned Check Fee	Incurred for every dishonored check issued by the Cardholder in payment of his / her account	Php 100 for every dishonored check and additional 6% of the check amount

In case of default, cardholder shall pay the following in addition to penalty and charges:

Types of Fees & Charges	Description	Fee
Attorney's Fee	Incurred if the Cardholder's account is referred to a lawyer or to a collection agency	25% of the amount due
Liquidated Damages	Incurred if the payment of the Cardholder's account is enforced through court action	25% of the unpaid amount, plus litigation expenses and judicial costs
